NEW PRODUCT ALERT! INTRODUCING HARDIE FINE TEXTURE CLADDING

Well, James Hardie has come out with a new range and we are here to tell you what the fuss is all about!

Lets check it out,

This new style render look is calming, uncluttered and new age! Something that can bring the old to new again. The modern minimalist look is something both builders and homeowners are looking for and something that can really add warmth to a once old and tired looking build.

It has been running off the shelf since launch and there are some amazing reasons why,

Save time- You can clad and paint on the same day!

Save on cost- It's up to 30% less than rendered brick

Save complexity- Less on site (no need for a renderer)

IN STORE NOW TO GET THE TOUCH AND FEEL EXPERIENCE

Valued

@\$3000

Kit includes:

Makita Plunge Saw and Vac Kit.

Paslode Brad Nail Gun.

James Hardie™ merchandise.

Simply purchase Hardie™
Fine Texture Cladding to go in
the draw. 5 kits to be won!

Achieve a modern, minimalist aesthetic with Hardie™ Fine Texture Cladding. The smooth, natural sand texture adds warmth and diffuses light with a fine matte finish.

Hardie™ Fine Texture Cladding is a pre-textured fibre cement panel. It's durable and lower maintenance than traditional cement render to stay looking good for many years to come.
