## IN THE NEWS

### WESBUILDERS EXPO

Late August we were involved in the the Wesbuilders Expo 2021. It was a great event with all members there to exhibit the best their products had to offer. We were lucky enough to have Shane - Our Rockcote professional to show potential and existing clients through the Rockcote range.

Rockcote was a very popular product on the day! The opportunities are endless with the techniques that can be achieved with our range.

Their were some winners from the day aswell with Frank from Time Builders winning the Melbourne Storm Premiership Jersey and Greg from Greg Kelleher Homes Winning the Eagles signed football from Nic Naitanui.
