SEIMA

PRODUCT SHOWCASE

Versatile have partnered with SEIMA to ensure the right product is provided for each beautifully thought out project. Providing great stock availability on all stock, which clients can't look past! Always elegant and innovative SEIMA does not disappoint. Designed in Australia their range of Bathroom, Kitchen and Laundry can suit either the building professional or the first time renovators ideas and dreams! What makes the SEIMA experience so personal is the one on one consultations which allows you to explore the whole range and come out with a plan that suits your budget. Versatile are lucky enough to work with SEIMA to ensure their product is matched with the right trade. View their aesthetically pleasing lookbook here.....
