Team

Deliveries:

We will deliver goods to the delivery address as provided. We will unload the goods at kerbside adjacent to the delivery address unless specified.

Further to this we must be satisfied that access is safe, reasonable and clear of all encumbrances.

If the carrier cannot identify the site because the delivery address is inadequate or as per above, the goods will be returned to store and you will be charged cartage.

Revolutionising Foundations

The environmentally sustainable alternative to EPS waffle pods.

Welcome to the future of foundations.

Biax Foundations™ is the fully patented, eco-friendly, user-friendly foundation system that offers engineers, concreters and homeowners a more sustainable foundation option.

Made from 100%
recycled plastic
& 100% recyclable
